

She witnessed the martyrdom of St. Victor, a soldier who was executed by his brothers-in-arms for his faith.

While Victor was undergoing his martyrdom, the brave 16-year-old Corona cried out comforting words and encouragement as Victor held fast to his faith and gave up his life for the Lord.

Victor's persecutors then turned on Corona and took her life as well. And likewise, the young saint never surrendered her faith.

As the Coronavirus wreaks havoc and vexes us all, St. Corona gives us an opportunity to lean into our faith and cling to hope, no matter the turmoil around us.

St. Corona,
patroness of epidemics,
pray for us!
