

Guidelines to be followed when you come to Church

If you want to attend Mass, Archdiocese of Detroit has set forth certain guidelines that must be followed. These requirements are for your protection, and for the safety of your fellow parishioners.

1. Those older than 65 years old, with a compromised health conditions or caring for the sick in any way, should be encouraged to stay home. Anyone who is ill, has a temperature, cough, should definitely stay home as an act of justice to the whole community.
2. The dispensation from the Sunday obligation to attend Mass is granted to all the faithful through Sunday, September 6, 2020. Although Sunday Mass participation may not be available, attending Mass on weekday should be good as well.
3. Under the AOD guidelines one needs to maintain social distancing of six feet or more. In order to follow that guideline seating will be limited in the Church. Family members may sit (or walk) together without any concern for the spacing.
4. Masks are to be worn by everyone approaching church and inside the Church (except for those under 2 years old.)
5. Father will make announcements at the Mass concerning how Holy Communion will be distributed, but the following tentative plans for the Sunday Masses have been discussed:

[a] instead of exiting pews in the center aisle, you will use the outside aisles to exit the pew to walk up to the front of the church (please keep your distance);
